Week 43: *Mission Rescue LIFE*

(with James additional 15-minute teaching)

James and Betty Robison

"The Father's Dream"

In the studio

JAMES: I'm so glad you joined. Betty, God told us to call the family in the family room; and help the family get to know the Father. Well, I feel like—now listen to me—I don't feel like I've ever needed the family in the family room more than right now. Because Betty, I need the family; not only your prayers—and by the way, you, the family, have no idea how much you have carried us on your shoulders, oftentimes. When you have seen what the Father wants, you make it immediately clear you're in agreement with the Father. When you believe it is possible to effectively put the Father's arms around the suffering, those he gave his Son to die for, you immediately want to do it.

Betty, our viewers have made it possible for us to fulfill our Father's vision all over the world many times.

BETTY: They really have. You really have. We couldn't have been able to reach all the people we've reached—all these precious children's lives have been saved because you've joined with us, not only in prayer but in your giving. So thank you so much.

JAMES: Well, when you talk about like in feeding alone, 18 million children's lives saved from starvation which was reported now nearly ten years ago already. We've not even asked since. But we were so amazed at what was happening, and you were too. But you were saving lives. You were giving life because of the love of God that throbbed in your heart.

Added new teaching, 15 minutes:

I'm interrupting this program because God gave me a message that he said, "I want my family to hear. I want everybody who cares about freedom and opportunity to hear. I want you to go deliver it right now." So I'm interrupting this program to share the message God sent me to the studio to deliver for everyone who loves freedom to hear.

Do you realize that I've been married to Betty for 61 years and that I've been preaching for 62? I don't know that I've ever heard God more clearly than I am right now. God spoke to me this morning and said, go tell my family what's on my heart, what's happening in the United States, in America right now. The whole world is going to be affected by whether or not my family hears what you share. Keep in mind the enemy is a destroyer. He is a murderer. He is the father of lies. He has literally millions of deceiving spirits working in harmony with his will. They never stop.

What is happening in America right now, and what message it delivers, I want my family to hear and respond appropriately to. You are seeing the devastation of the storm, the hurricane, just what you see every time. You have tornado damage, hurricanes, cyclones, every devastating natural event accomplishes in many ways the enemy's purpose. Now please hear this. Satan desires to put us in the dark. He desires to divide us by deceiving us and defeating us, and destroying God's kingdom purpose in the life of his family. And it is his family, and it is the body of Christ, the church as the only force and influence on the planet that can redirect a fallen, deceived nation and people. That is the only way you correct the course.

Now if Satan is a deceiver, if Satan desires to put us in the dark, is this hurricane and other damaging hurricanes and forces doing that? That's what the enemy wants. And he wants to divide and destroy, and he is doing that continuously by people believing the lies. Much of our national leadership is being led by the deceiver. Therefore, they spent their time deceiving the people. The people in the nation and in most of the world are deceived by the father of lies. So he puts us in the dark and he destroys our ability to communicate. That's why the power supply sources are so important.

Satan uses, now remember this, Satan is the prince of the power of the air. I've said this many times, and almost, I think it comes to being like a little passing thought. He is the father of the air, what's going on. He can move in storms -- and the airwaves. Think about that. The ability to communicate. He literally takes over the ability to communicate the truth and we communicate lies which most of the major media is continually repeating and promoting lies.

So what you're witnessing right now is how effective, how damaging, how deadly the intentions of Satan really are. And I repeat, there is only one force, one power, one family that can correct the course and offset the damage and destruction Satan through every desire of his being is focused on accomplishing. And we, the family of God can hear the truth that sets us free, can make us more than conquerors and overcomers, and through the Old Testament prophets who were not perfect, but they heard perfect truth and delivered it, and when it was heated it was amazing how God cared for his people and blessed them. That's what he wants to do right now through this family.

And if we will hear him, return to him with our whole heart, he will heal our land, he will make up for all the years the damaging assault of Satan has brought against us, as he said to Joel, make up for the years the locusts have destroyed. He will pour out the former and latter rain. We will again be fruitful and blessed. He will protect us from the enemy's deadly intentions. He will deliver us from that tragic defeat and make us more than conquerors.

But here's what you must hear. We must come together like the family of the perfect Father. That means we love God with all our heart and we love our neighbor as we love ourselves. We care as much about our neighbors as we care about ourselves, and that certainly includes the neighbors who are family members, that's the church. The church has spent too much time pointing out the failure and the error of church members, and leaders, teachers and pastors, preachers, sadly sometimes prophets, and he defeats us when he divides us. We are healed when we come together.

Now God put this on my heart years ago, and he let me know that I could be effective in getting church leaders, church members, denominations across the most, let's say, visible lines of disagreement and division, and we could come together to seek the Father's will. And we could come together knowing there is one perfect, Jesus, who reveals the Father. The Father wants us to hear his voice, see his will accomplished through his Son, but also through the church, the body of Christ. And if we will come together in repentance and stop amputating the body of Christ every time we find a place where we disagree, and we will forever, and somebody will be mistaken but we don't have to make the mistake of divorcing every time we disagree, or trying to amputate that body member.

With what we're seeing right now, and ahead of one of the greatest decisions this country will ever make, whether we are going to continue to keep in place leadership that has been deceived by the deceiver is in the process of setting the stage by inviting in the very destroying forces on this planet with no boundary, no border, no limit, and even in many ways funding the lives and the direction of those who come across a border that has been cast aside and torn down, laws and law enforcement that has been cast aside and redefined into totally anti-law, anti-God, anti-principle, anti-freedom.

We've got to make some very important decisions. And no matter how many wrong decisions some people make, if the family of the perfect Father will come together, love him with all our heart, love our neighbor, the other members of the body of Christ coming together, submitted to the one head if we will do that, we can begin to correct the course no matter how poor the decisions of many of our people are. We will not allow the enemy, the deceiver to continue to lead, deceive, and destroy this country.

God wants to direct you right now. And if we don't come together, if we don't become the family of the perfect Father, love each other with all our heart, seek to lead those who have been deceived to recognize the truth and know how much God loves them and cares for them, and that they don't know what they're doing because they've been that deceived.

And remember what Romans said, when you don't glorify God your appetites will control you. Then in the latter part of Romans chapter one, he sums up, you will see all these horrible things happening continuously because you will have been given over to a reprobate, depraved mind where you can't think straight. What caused that?

God revealed this so clearly to me in Romans chapter one when he starts talking about the wrath of God is revealed. When you change God's truth into a lie it is one thing to rebel, it is one thing to feed your appetites, and those appetites control you until you become a prisoner to your own appetites. But when you changed his truth into a lie like there is no God, you don't have to recognize authority, you don't have to honor your parents, you can steal, kill, covet. No, you can't. Well, you change what God says is truth and life into a lie, you are given over to a depraved mind. You cannot, it is impossible for you to think straight.

So you have to return to the Father who is God, the creator, divine providence. You come back to him. He will begin to direct your thoughts, your path, your actions, your decisions, and you can see the miraculous restoration of all that must be restored. Repentance begins in the house of God, the family of God.

Would you say, you are the Father. You are my Father. Jesus is my Lord. He is my savior. He is the only way. He is the truth and he is the life and I commit myself totally to him. Allow him to take control of you. And I will join with the other members of the body of Christ, even those I may disagree with or may be deceived because I'm also perhaps misled and deceived too. But I'm coming to you with my whole heart. I want you to redirect my steps. I want you to heal my mind, my life, my relationships, my family.

God, I make you first. I lose my life for your dream, for your kingdom purpose, to see your will done on your earth, your planet as it is in heaven. Because I believe that's your desire, I believe that's your dream, and I commit myself to your dream, your vision, your call, your purpose, your commission.

Father, heal our minds. Heal your family. Heal our relationships. Transform us. Pour out the former and latter rain. Let us see the miracle that only you can perform through your family, your body, yielded totally to you and your kingdom purpose. And we trust you with the future and for freedom; in Jesus' name.

Thank you for listening. God has put it on my heart every time he speaks to me because you can hear him as clearly as you can hear anyone and as clearly as he hears you. He will speak his heart to you. And the more you desire to hear his will revealed, the more freely he will reveal it, and the more effectively you will fulfill it. You will see the outpouring of a supernatural awakening that is the only hope freedom has, life has, and a meaningful future can be found. Thank you for listening.

Return to previous teaching:

To lose their life to see his dream. Now listen to me, to see the Father's dream come true. He fulfilled a lot of our dreams. He promised that if we would lose our lives for his kingdom's purpose, he would fulfill our desires. That's amazing! He said to me when I said God, why have you blessed me? So many of my dreams had even become idols. How have you blessed me so much? He said, "Because even when you put beautiful things ahead of me, I knew that you and Betty wanted to live your life for my kingdom purpose even though you didn't understand it. So I did fulfill so many of your dreams, but you wanted to fulfill mine."

And now then, Betty, as clearly as we can understand it at this point, and we will all grow to understand it more, I want to live my life to see the Father's dream fulfilled where his will is done on his earth. His kingdom's purpose is fulfilled. His will done on his earth, as it is in heaven, and the kingdom—the gospel of the kingdom preached in all nations. And then he comes for the bride that looks like him.

I want you to join with us more than ever. You can contact that address right there and

say, James, here's what I think you can do for me and the church. You and your wife and your family, your ministry, here's what I think we could do together. We want to ask you some questions and you do that. We're going to find a way to help you and answer them.

I want you to look at something that Betty, when I saw this today it tore me up. I want you to look at what love does. I want you to look at what the enemy is doing and what love enables us to do for people who are being totally destroyed by the enemy. I think we're going to have one of the greatest responses today we've ever had in the history of our ministry, to put God's arms around desperately defeated prisoners that God's love can set free if we join together. Watch prayerfully.

>> I was so young and I did not know anything. The men forced me to do bad things.

ESTHER: Right now and every day, there are millions of children that are suffering. They're suffering in homes. They're suffering in the streets. They're suffering in motels and hotels and even brothels. They use them to make money off of them. And this is happening every day.

>> If I resisted, they beat me with electrical wire. And if I still refused, they said they would kill me.

Human trafficking is a \$150 billion industry. Over six million people are trapped in the sex trade. Of that number, over one million are children.

DAVID: So when we look at these big numbers of statistics, they are just demotivating. What we choose to do is we choose to focus on the one. We work alongside law enforcement and so we rescue one today, we rescue one tomorrow, and we rescue one next week. Because every single child matters to God, and so they have to matter to us.

In the studio

JAMES: Sweetheart, I wish you could hear me. I hear you, and our viewers hear you. I wish all of you could know that over the last 20 years or more, we've saved thousands and thousands of girls from sexual trafficking. When I say we, I'm talking about all of us together because we couldn't do it. Betty and I are really good givers because we love to give love and we love to give life, and we love to help people be set free. Right now, we have opportunities that are greater than any we've ever had, and the need is greater.

I say, Father, I'm so sorry that men can be so distracted by the beauty of a girl, the beauty of sex, and be so twisted by it until it is totally abnormal and even damagingly destructive. Please, dear God, help us help those precious girls and boys that are damaged; in Jesus' name.

Would you consider making the largest gift you can right now? We're asking you to help us by making gifts that cost an average of \$128 to begin the process of setting a child free, getting one of these girls free. We reach them, rescue them, and restore them. That's the process. You can do that. Could you give \$1280 and rescue ten?

Well, here's the beautiful thing. Right now we've got a \$320,000 matching gift, which means if you rescue one, \$128, you've just rescued two. If you say we're going to rescue ten. We can make a \$1280 gift. You've just rescued 20.

Would you join us in the miracle of putting God's loving arms around people? If you've ever seen people who needed to be free, who needed to be loved, Betty, to know that somebody cares? We can show these girls God's love. That's what our viewers do.

BETTY: I know your heart was touched, as mine was, as we listened to these beautiful children, their desperation. They have nowhere to go, they have no one to turn to but us. We can reach out and make the difference. If we join our hearts and our hands together, we can do so much. The Lord is waiting on us, together, to reach out and rescue the little ones.

JAMES: Well, you've helped us literally give life and give a home and give a future to tens of thousands of girls all over the world, most of the third world, but also even here. Please, right now would you go and get your bank card and would you use it like a check? If you write a check, make it to *LIFE*. Make the largest gift you can knowing you're giving the greatest gift, you're giving life.

We have a beautiful gift. This is *Worship, Wisdom, and Wonder*. This is the Psalms and the Proverbs. It is so beautifully presented in the Passion translation. Here's a beautiful picture. It is literally a picture of the water of life flowing freely that can flow into us and through us like a river. We also have the bronze.

Would you make the best gift you can now? Please? You keep praying with us that together we'll be the family God wants us to be. Please get that card and use it like a check. If you write a check, call us and tell us what you're putting in the mail, and what you're putting on the card. Would you do that? Thank you so much!
